Dear Sir:

In response to a letter from Mr. Richard J. Buck of ARPA/AGILE here in Washington, I am forwarding the following maps on Southeast Asia:

- a. Provincial Atlas of South Vietnam, 6 copies.
- b. Map Folio, Southeast Asia, 2 copies, plus 10 sets of loose maps which make up the Folio.

The recently completed Provincial Atlas of South Vietnam is being sent in place of the requested Province Maps. Also, due to a limited supply, we are not able to provide you with 12 copies of the Map Folio as was requested; we trust that these 2 copies plus the loose maps will fill your need.
